

2021 Authorisation for Regular Outings

Form for Parents to complete: Authorisation for Regular Outings, including Bush Kindy in 2021.

I give permission for my child _____ to participate in regular outings throughout 2021 at Freshwater Christian Kindergarten. I acknowledge that my child will be walking to, and exploring, several sites within the College and bushland and creek environments within the school grounds during these outings. Risk Benefit Statements, including maps of all locations and planned safety measures for these sites can be emailed to parents on request.

During these outings, I am aware that my child will be involved in a variety of activities that may include (but are not limited to) the following; playing on the College playgrounds, using the College facilities such as Library, Chapel, Science and Art/Drama spaces, exploring natural environments – Weekly Bush Kindergarten sessions in terms two and three, climbing trees, building with natural materials, collecting natural artefacts, exploring water (NOT SWIMMING), making campfires and cooking on them, and active play.

Bush Kindergarten outings will typically range from 1.5-3 hours and will usually take place on Tuesdays and Fridays in a range of weather conditions on our College site. These outings will be attended by the whole group of Kindergarten children attending that day, with an adult to child ratio of 1:11 or 1:5 if using a site near water. Adults will include regular Kindergarten staff, as well as parent and volunteers.
