

## College Bus Service Terms & Conditions 2022

### Application Process

- 1.1 Each family who wishes to utilise the bus service must complete a Bus Service Application Form.
- 1.2 The completed Application Form must be submitted to the College office at least 1 week prior to the first day of travel requested to allow time for processing. Shorter processing times may be possible in emergency situations but cannot be guaranteed and are at the discretion of the Bus Coordinator.
- 1.3 All Application Forms require approval from the College's finance department. The bus service will not be available to families with overdue tuition fees unless a Payment Plan has been accepted by the finance department to bring the account up to date.
- 1.4 Application Forms may require approval from the Head of School.
- 1.5 The Bus Coordinator will process the Application Form and advise the family if their application was successful for the requested bus route. If the application is successful, the Bus Coordinator will advise details of the nearest bus stop and the pick-up/drop-off times.
- 1.6 Limited flexibility is available on bus routes. If the nearest bus stop is beyond walking distance, parents may need to make their own arrangements to transport students between their home and the bus stop.
- 1.7 The College may disclose to contracted bus companies the names, contact details and other relevant personal information of families using the bus service.

### Regular Annual Bookings & Bus Fees

- 2.1 Bookings are made for the full year except in the case of Casual Bookings (see Section 3).
- 2.2 Once a booking is made, the applicable Annual Rate for Bus Fees is payable regardless of the number of trips actually utilised, days absent, etc. The full applicable Annual Rate must be paid even if the booking is for less than 5 days per week, as it is unlikely the College will be able to book another student for the same seat on the days it is not required.
- 2.3 Where a new booking commences mid-Term, families are required to pay the applicable Weekly Rate multiplied by the number of weeks from the first day of travel to the end of Term (inclusive). For example, if a booking commences in week 2 of a 10 week Term, the family would be required to pay the applicable Weekly Rate multiplied by 9 weeks.
- 2.4 A booking is taken to commence on either the first day of travel specified on the Application Form or the actual first day of travel, whichever is earliest. Where a new booking commences mid-Term, the full applicable Weekly Rate must be paid for that week, regardless of which weekday the first day of travel falls on. For example, if the first day of travel is a Wednesday, the full applicable Weekly Rate must still be paid for that week.
- 2.5 Bookings can be cancelled at any time by providing 14 days written notice to the Bus Coordinator. However in most circumstances no portion of the annual bus fees will be refunded or credited upon cancellation unless sufficient written notice is received, i.e. the remainder of the Term's bus fees are forfeited.
- 2.6 In reference to 2.5, if a family believes there are extenuating circumstances that warrant a refund/credit in their particular case, a written application can be made to the College's Chief Financial Officer (CFO) for consideration. Refunds/credits will only be issued at the CFO's discretion.
- 2.7 Bookings conclude at the end of each school year. Families will be required to make a new application and booking for each subsequent school year. Existing bus users will be sent a new Application Form to complete each year.
- 2.8 Should a student be suspended or expelled from use of the Bus Service for any reason, bus fees payable for the remainder of the Term under the original booking remain payable and will not be refunded/credited.
- 2.9 **The College reserves the right to suspend use of the Bus Service for families with overdue bus or other fees.**

### Casual Bookings

- 3.1 Casual bookings are subject to availability and can be made by contacting the Bus Coordinator a minimum of 48 hours in advance of the requested date of travel.
- 3.2 A new booking must be made for each casual trip. Recurring trips can not be booked on casual tickets.
- 3.3 Route/bus stop changes will not be made for casual bookings. Students must enter/exit the bus at an existing bus stop.
- 3.4 The Bus Coordinator will check the availability on the requested date, route and time and confirm if the casual booking is able to proceed.
- 3.5 Each Casual booking is valid for one trip, one way (i.e. AM or PM trip only) for one student.
- 3.6 A Casual booking does not permit travel in its own right. A booking must still be made in accordance with 3.1-3.4 for the specific date, route and time requested.
- 3.7 Students are required to use their student fob to sign to the bus for travel on that afternoon's or the following morning's trip.
- 3.8 Upon booking their travel on RollCall App, details of the casual booking will be added to the relevant Bus Manifest to allow the student to travel.
- 3.9 The price of a Casual Bus booking is not proportional to the Annual Rate for Regular Bookings as there are significant additional costs in administering casual bookings.
- 3.10 Payments for casual bookings that are unused can remain on the RollCall App account for use at a later trip or a credit/refund can be applied for through the Finance office prior to the end of Term 4. No credit/refund will be issued for unused casual payments after this date. If fees of any type are owed to the College, the refund will be issued by way of a credit against the fees owed.
