

2 Person Ambrose Rules – 9 holes

Please keep all Motorised Golf Carts a minimum of 10 metres away from the putting greens and outside the blue lines.

All team members tee off on each hole on the **YELLOW** tees.

The team chooses the shot they are going to use with each player's **tee shot being used a minimum of 6 times.**

The position of the ball must be marked and the team members place their ball within one club length of the marked spot, no nearer the hole.

If the selected ball is within a penalty area, the placed ball must remain in the penalty area.

In a sand bunker, the sand may be raked prior to placing the ball.

On the putting green, the ball must be placed within one putter head of the marked position.

Please return scorecards to staff in the Golf Shop
