How to place an order

OPTION 1 – PAPER BAG ORDER

PRIMARY

- All items (including items from the Over the Counter menu) must be listed on the student's paper bag order.
- Primary students are not permitted to purchase items over the counter at the cafe.
- Paper bag orders should be placed in the class cafe box each morning which will then be taken to the cafe.
- The cafe box will then be delivered back to the class with the completed orders at morning tea and lunch times.

SECONDARY

- Items from the Pre-order Only menu must be listed on a paper bag order and placed in the cafe order box (located on the bench between the cafe and library buildings) by 9:00am.
- Cafe staff will collect all orders from the box at 9:00am. Orders from the Pre-order Only menu cannot be placed after 9:00am.
- Orders can be collected from the cafe servery at morning tea and lunch.
- Secondary students/staff may also buy items from the Over the Counter menu at morning tea or lunch without pre-ordering, however please note these items are subject to availability and may sell out.

NOTE

- Separate paper bags should be used for morning tea and lunch orders.
- Use the format shown below to write out your order on each bag.
- Place money in each bag. Please use correct change wherever possible. This will greatly assist our café staff and volunteers in processing the large number of orders they receive as efficiently as possible. For families with multiple children, it would be appreciated if money could be placed in each order bag separately rather than in one bag for the whole family.
- Place paper bag in class café box (Primary students) or the café order box (Secondary students).
